Would December 12-13, 2018 also work (instead of December 11-12)?

Dr. Packham,

We had previously scheduled the CASAC meeting to review the PM Integrated Science Assessment to be on December 11-12, 2018. Are you available on these dates for a face-to-face meeting in Research Triangle Park, North Carolina? We also scheduled a follow-up teleconference on January 30, 2019 (from 11:00 AM – 3:00 PM ET). Are you also available for the teleconference?
